Question: Please provide specific comments about the course here.	
Student	Detail
506341	I learned a lot from this course and it was interesting to look into a subject I knew very little about
506379	Overall, I think the course is well put together. The information is presented in a way that includes multiple viewpoints & perspective. It is quite lengthy but we take a break every hour or so which helps.
506457	William Myatt made this class very interesting. This course was more fun than I thought.
509560	The course gives you a background of different religions and how they work together to form your beliefs from different approaches. It left you with the feeling of wanting the class to be longer, because it was so interesting. The reading material was easy to understand and comprehend.
519554	Was an interesting course that made me see Christianity in a new viewpoint.
519887	The class could use more in-class discussion and participation assignments. Group worksheets for example
521318	The course ended up being not what I thought it would be about; nonetheless, it was still a great course. The description in Campus Connect mentioned we would be learning of the different origins of Christianity which I took to mean we'd explore how the Christian church came to be about as well as what messages the Bible contained. We did learn about that but seems as though we spent a large amount of time in philosophical debate as well.
524741	great class learned a lot about religion in general
525427	Most of the issues that we discussed in class my mother and I have discussed multiple times at home already so the course didn't really give me any new issues to think about.
528666	Really great teacher. Was always really nice.
529060	N/A
532962	This course opened up new perspectives for myself and my religion in positive and negative ways.
534115	Class is pretty boring.

Question: Please provide specific comments about the instructor here.	
Student	Detail
506341	Very friendly and knowledgeable
506379	He does a good job in teaching such a topic, and he is reasonable in his 'demands'.
506457	Great! Absolutely could see professor's interest in the subject. Encouraged us to participate and made this class interesting with helpful readings.
509560	I would recommend this teacher for any course he teaches at DePaul. He had a passion for his subject, and he recognized when a student had not quite understood the material. Since he was aware of this situation he was able to explain more of the material until you understood. He was strict on policy, but give suggestions for extra credit.
519554	Professor Myatt was an outstanding professor. He always made time to go over specific details that the class struggled with. He was very nice and very understanding. I really did appreciate his class.
519887	Fair
521318	Great instructor! It's evident Dr. Myatt is interested in the subject he is teaching about and that enthusiasm shines through in his in-class lectures. Dr. Myatt is clearly very

	knowledgeable on the subject he is teaching and answered many questions on the difficult topics students asked about. My only caveat would be that it seemed as though sometimes this night class would be an after-thought in his clearly apparent busy teaching schedule between two universities. Nonetheless, still a great professor and instructor and a clear asset to have at DePaul!
524741	the instructor was very professional about his work and showed a genuine love for his craft
528666	Super professional
529060	N/A
532962	He was a very helpful guy. Went out of his way when we needed help
534115	Teacher is a good guy.

17	Please provide specific comments about the course here.	0	The course ended up being not what I thought it would be about; nonetheless, it was still a great course. The description in Campus Connect mentioned we would be learning of the different origins of Christianity which I took to mean we'd explore how the Christian church came to be about as well as what messages the Bible contained. We did learn about that but seems as though we spent a large amount of time in philosophical debate as well.

25	Please provide specific comments about the instructor here.	0	Great instructor! It's evident Dr. Myatt is interested in the subject he is teaching about and that enthusiasm shines through in his in-class lectures. Dr. Myatt is clearly very knowledgeable on the subject he is teaching and answered many questions on the difficult topics students asked about. My only caveat would be that it seemed as though sometimes this night class would be an after-thought in his clearly apparent busy teaching schedule between two universities. Nonetheless, still a great professor and instructor and a clear asset to have at DePaul!

Student	Detail
506341	I learned a lot from this course and it was interesting to look into a subject I knew very little about
506379	Overall, I think the course is well put together. The information is presented in a way that includes multiple viewpoints & perspective. It is quite lengthy but we take a break every hour or so which helps.
506457	William Myatt made this class very interesting. This course was more fun than I thought.
509560	The course gives you a background of different religions and how they work together to form your beliefs from different approaches. It left you with the feeling of wanting the class to be longer, because it was so interesting. The reading material was easy to understand and comprehend.
519554	Was an interesting course that made me see Christianity in a new viewpoint.
519887	The class could use more in-class discussion and participation assignments. Group worksheets for example
521318	The course ended up being not what I thought it would be about; nonetheless, it was still a great course. The description in Campus Connect mentioned we would be learning of the different origins of Christianity which I took to mean we'd explore how the Christian church came to be about as well as what messages the Bible contained. We did learn about that but seems as though we spent a large amount of time in philosophical debate as well.
524741	great class learned a lot about religion in general
525427	Most of the issues that we discussed in class my mother and I have discussed multiple times at home already so the course didn't really give me any new issues to think about.
528666	Really great teacher. Was always really nice.
529060	N/A
532962	This course opened up new perspectives for myself and my religion in positive and negative ways.
534115	Class is pretty boring.

Student	Detail
506341	Very friendly and knowledgeable
506379	He does a good job in teaching such a topic, and he is reasonable in his 'demands'.
506457	Great! Absolutely could see professor's interest in the subject. Encouraged us to participate and made this class interesting with helpful readings.
509560	I would recommend this teacher for any course he teaches at DePaul. He had a passion for his subject, and he recognized when a student had not quite understood the material. Since he was aware of this situation he was able to explain more of the material until you understood. He was strict on policy, but give suggestions for extra credit.
519554	Professor Myatt was an outstanding professor. He always made time to go over specific details that the class struggled with. He was very nice and very understanding. I really did appreciate his class.
519887	Fair
521318	Great instructor! It's evident Dr. Myatt is interested in the subject he is teaching about and that enthusiasm shines through in his in-class lectures. Dr. Myatt is clearly very knowledgeable on the subject he is teaching and answered many questions on the difficult topics students asked about. My only caveat would be that it seemed as though sometimes this night class would be an after-thought in his clearly apparent busy teaching schedule between two universities. Nonetheless, still a great professor and instructor and a clear asset to have at DePaul!
524741	the instructor was very professional about his work and showed a genuine love for his craft
528666	Super professional
529060	N/A
